Building Futures with Women and Children

Please help us give back to the community! During the holidays, we should remember to give back to the less fortunate. We will be taking Christmas Gift donations for the Building Futures with Women & Children's Shelter located here in San Leandro. 'Tis the season to be giving!

The mission of Building Futures with Women and Children is to help women and children in crisis become safely and supportively housed, free from homelessness and family violence. Their programs include two emergency homeless shelters (55 beds); a domestic violence safe house (20 beds); 52 units of temporary and perma-

nent supportive housing; a 24-hour crisis line; a children's program; and a domestic violence outreach program. In response to the economic crisis which is forcing more families into homelessness, they implemented two new homelessness prevention and rapid re-housing programs.

Building Futures, a nonprofit organization formed in 1988, is based in San Leandro with programs throughout Alameda County. Through their broad range of programs, they provide services to hundreds of women and children annually who rebuilding lives free from homelessness and family vio-
